May 11, 2015

ACCEPTANCE/INVITATION LETTER

Dr. Mohammed Ali. Mutar,
Department of Chemistry, College of Education,
University of Al-Qadisiya, Iraq.

To Whom It May Concern,

3rd International Conference on Transport Management (ICTM'15) that will take place on May 20-21, 2015 Dubai (UAE) aims to bring together researchers, scientists, engineers, and scholar students to exchange and share their experiences, new ideas, and research results about all aspects of science, engineering and technology, and discuss the practical challenges encountered and the solutions adopted.

Herewith, the International Scientific Academy of Engineering and Technology's Scientific and Technical Committee is pleased to inform you that the peer-reviewed & refereed conference paper id: P515251, titled as "*New Flame-retardant and Thermally Stable aromatic Polyimides Based on Pyromellitic dianhydride (PMDA) and 3,3',4,4'-benzophenone tetra-carboxylic dianhydride (BTDA) with diamines containing halogens and phosphorus components in the main chain: Synthesis and characterization*" and authored by Dr. Mohammed Ali. Mutar, has been accepted for Oral presentation at the conference and publication in Proceedings of the Dubai conference May 2015.

We would like to kindly invite Dr. Mohammed Ali. Mutar, to present the research paper at the conference site in Dubai. We would greatly appreciate if you could facilitate granting the conference delegate the necessary visa.

Sincerely Yours,

Conference Secretariat
